Re.: Notice to file corrected application paper – requirements of 37 CFR 1.812-1825

Dear Madame/ Sir.

Please find the attached a sequencing listing complying with the requirements of 37 CFR 1.812-1.825 to be amended to the mentioned above patent application. The sequencing listing should be added to the end of the mentioned above application.

The compliance to 37 CFR 1.812-1.825 also demanded minor changes in the sections "Brief description of the figures" and "Detailed description of the invention" and this revised, new sections are also enclosed.

This letter is also to state that information of the sequencing listing provided in written form is identical to the recorded computer readable form (compact disc).

Sincerely,

(Torsten Thomas)
